

TO: Middle School and Upper School Parents

FROM: Toni Swan, Director of Operations and Finance

SUBJECT: TEXTBOOK BUYBACK INFORMATION –BUY BACK BEGINS, THURSDAY, MAY 20, 2010

Athens Academy will offer two options for textbook buyback this year. The value of your used textbook is determined by demand so please return as soon as possible to ensure the maximum available credit.

Option 1 – Print your quotes from MBS’ website and you may be eligible for a loyalty bonus.

- Log on to <http://bookstore.mbsdirect.net/athensacademy.htm> and click on “Sell My Books”. If you purchased your textbooks from MBS last fall, your textbooks may be eligible for a loyalty bonus. Use the email address and password you used when ordering in the fall to log in.
- Enter the books you wish to resell by ISBN (this is the 10 or 13 digit number located on the back of your book).
- Finalize your quote and print two copies.
- Bring both copies of the finalized quotes along with the textbooks to the Parents Building during the last week of school. Plastic bags will be provided. Place these items in a bag and write your first and last name on the outside of the bag.
- A check from MBS will be mailed to your home this summer.

Option 2 – Bring your books to the Parents Building and your account will be credited.

- Please see the reverse of this letter for a list of book titles that our vendor will be repurchasing.
- Bring the books you wish to resell to the Upper School reception or, if you are in Middle School, leave your books in homeroom during the last week of school.
- Place the books in a plastic bag that will be provided and write your first and last name on the outside of the bag.
- The buyback amount will be credited to your account this summer.
- Please note that books returned directly to the school are not eligible for the loyalty bonus.

Used Textbook Guidelines

The books that you wish to resell should be in acceptable condition. Books with the following characteristics will have no resell value:

- damaged binding or broken spines
- any type of fluid damage
- excessive writing
- missing or torn pages
- missing CD-ROM (if the text originally came with one)

Textbooks turned in during buyback that the vendor deems unacceptable will be returned to you, by request only. Books returned by request will be charged a standard shipping fee.

If you have further questions regarding textbook buyback please contact Elizabeth Howard in the Business Office at ehoward@athensacademy.org or (706)549-9225.
