

Athens Academy

US Off-Campus Field Trip Permission Form 2011-2012

The Upper School provides a variety of off-campus activities during the school year. Some of these are school or course-related trips, and some may occur after school or on weekends. Some off-campus activities are grade-level or all-school events of importance to the school program. This form offers parents the option of giving permission for their child to leave campus for **all** official, scheduled school trips during the 2011-2012 school year. Please complete the options below and return the form to the Upper School office.

Check your preference:

_____ I **give** my child permission to leave the Athens Academy campus during the 2011-2012 school year for all official, scheduled events, accompanied by Athens Academy staff and approved by the Upper School Director. I understand that I will receive, in advance of each trip, the necessary information about each trip. I also understand that I may revoke this general permission at any time by notifying the Upper School in writing.

_____ I **do not give** my child general permission to participate in all official, scheduled off-campus events during the 2011-2012 school year, and request to receive a permission slip to complete and return for each event.
