SUBJECT: ONLINE BOOKSTORE

Our textbook goals for the 2010-2011 school year remain the same: to provide the required materials in a convenient, timely and cost efficient manner. To make the textbook ordering process simple and straightforward, our textbook provider, MBS Direct, has created an online bookstore and will offer **free shipping on orders of \$99 or more**. Athens Academy's virtual bookstore will open **July 10, 2010**.
