Naming Opportunities

at Athens Academy

UPDATED

MISSION STATEMENT

Athens Academy is an independent, non-profit college preparatory co-educational day school which seeks excellence with honor in the educational and personal experience of each student.

• Honor Gifts

Honor Gifts are given in honor of living individuals, often a teacher or coach, to show appreciation. Many alumni have chosen to honor current, retired and former teachers with Honor Gifts to Athens Academy. For Honor Gifts, a card is sent to the donor with a receipt. A separate note is sent to the individual being honored. No monetary amounts are listed on the acknowledgement cards. All gifts are tax-deductible. At the end of the fiscal year, Honor Gifts are published in the Annual Report. In some cases, an Honor Gift fund can be established to support a naming opportunity on campus or to start an endowment fund.

• Planned Giving

Planned Giving should be of interest to anyone who wishes to decrease tax liability on earned income, passive income, capital gains, or an estate while supporting Athens Academy. Charitable lead trusts or charitable remainder trusts in the form of unitrusts or annuity trusts can be of enormous benefit to both the donor and the charity. We encourage you to consult your tax advisor about how this information might apply to your personal circumstances.

• Memorial Gifts

Memorial Gifts are given in honor of a deceased individual. Many families request that Memorial Gifts be made to Athens Academy in lieu of flowers. For Memorial Gifts, a card is sent to the donor with a receipt. A separate note is sent to the family of the individual being remembered. No monetary amounts are listed on the acknowledgement cards. All gifts are tax-deductible. At the end of the fiscal year, Memorial Gifts are published in the Annual Report. In some cases, a Memorial Gift fund can be established to support a naming opportunity on campus or to start an endowment fund.
